In the Ecofont the following regulation is enclosed:

Copyright (C) 2008 SPRANQ creative communications, Utrecht, The Netherlands.
All right reserved. Ecofont is a trademark of SPRANQ creative communications.
The inventive designing method of the Ecofont - omitting spaces in each letter to decrease the black surface of the letter and thus save ink by printing - is intellectual property of SPRANQ creative communications. Imitation of this technique is prohibited.

The Ecofont is distributed under GPL and based upon Bitstream Vera. The following licence paragraph applies:

All Rights Reserved.

The above copyright and trademark notices and this permission notice shall be included in all copies of one or more of the Font Software typefaces.

The Font Software may be modified, altered, or added to, and in particular the designs of glyphs or characters in the Fonts may be modified and additional glyphs or characters may be added to the Fonts, only if the fonts are renamed to names not containing either the words "Bitstream" or the word "Vera".

This License becomes null and void to the extent applicable to Fonts or Font Software that has been modified and is distributed under the "Bitstream Vera" names.

The Font Software may be sold as part of a larger software package but no copy of one or more of the Font Software typefaces may be sold by itself.

Development

To protect the purity of the Ecofont and it's communication, the further development of the Ecofont and the use of it's technique - which includes omitting different shapes in the letters or the use in other font types - is only allowed if permission is granted by SPRANQ. A signed licence agreement can only be obtained by contacting SPRANQ (www.spranq.eu). SPRANQ is not obliged to grant permission. Selling the Ecofont or a variation of it to make a profit is strictly prohibited.

Concept registration

The product Ecofont and it's used technique is described by SPRANQ and, amongst others, registered at File Reg (www.file-reg.nl).
